## Oak Hill at Spring Ridge HOA

## 2025 Action List Major Projects

Bob contacted two companies (Entech & Spotts, Stevens & McCoy). Diane contacted Kipcon and received a proposal for surface drainage, which was sent to the BOD on 11/23/22. The Board approved the proposal from Kipcon to Inspect and provide a report. Afterwards Bob received a proposal from Rincon to Inspect and provide a report. Afterwards Bob received a proposal from Entech which included the entire community. The cost for Entech was much more than Kipcon. The Board voted to terminate the contract with Kipcon and approve the proposal from Entech. Task 1 was completed on June 7th. They expect to have plans by the end of June 2023. Task 2 was completed and Entech is waiting for documents from the Township. 10/31 Entech sent the plan noting the problem areas. 2/23/24 Diane forwarded the plans from Entech to the Board to review. Entech recommended two Geotechnical Consultants (Earth Engineering & Barry Isett & Associates for construction plan bids. Earth Engineering declined, as they perform testing for storm water systems, not design. They recommended McCarthy Engineering. Diane received a bid from McCartry, Barry Isett, Entech and C2C for the pre-construction planse. Bob met with Schlouch and Brian K who is an enginner in March 2025. Schlouch will present a construction plan for the BOD to review.  The Board approved a resolution for Electronic Notice, Voting & Meeting on 11/12/24. Oanella sent the signed resolution along with a cover letter and owners consent notice on 2/14/25 email and us mail. Consent forms must be completed and returned prior to the election.  On 1/24/24 Diane sent the updated version of the leasing rules, survey, application, certificate and lease addendum to the BOD to review. The Board scheduled a Leasing Amendment was recorded on 6/17/24. The recorded Amendment was mailed to all owners on 8/20/24 to review the amendment details. The Board also scheduled a meeting on 5/6/24 for owners to vote on the Leasing Amendment. The Amendment was recorded on 6/17/24. The recorded Amendment was mailed		Description	Status/Comments	Completed
Potential sink holes  BOD to review.  The Board approved a resolution for Electronic Notice, Voting & Meeting on 11/12/24.  Danella sent the signed resolution along with a cover letter and owners consent notice on 2/14/25 email and us mail. Consent forms must be completed and returned prior to the election.  On 1/24/24 Diane sent the updated version of the leasing rules, survey, application, certificate and lease addendum to the BOD to review. The Board scheduled a Leasing Amendment meeting w/owners on 3/26/24 to review the amendment details. The Board also scheduled a meeting on 5/6/24 for owners to vote on the Leasing Amendment. The Amendment was recorded on 6/17/24. The recorded Amendment was mailed to all owners on 8/20/24. The next step is for the Board to approve leasing rules and regulations and add a step to the re-sale ordering process.  The 2025 annual meeting is scheduled for May 13th. The first notice was sent on March		<u>Description</u>	Bob contacted two companies (Entech & Spotts, Stevens & McCoy).
